

***A student's perspective of  
development policy formulation  
via a simulation game***

By Lynette Cochrane

PGDipDevStud student, Victoria University

# *POWER*

- Highly sought after
- Fiercely defended
- Hugely influential

# AGENDA

- Perceived and real
- Opposing agendas
- Mistrust of others

# *POLITICS*

- Informal and formal relationships
- Advancing/protecting own interests
- Playing by the same set of rules
